

Schafer Park Parent Teacher Club

Help requested

We mentioned at Back to School Night what the Parent Teacher Club is: a group of concerned parents and teachers that work very hard to help the teachers and students purchase supplies that would otherwise not be purchased, due to continuous budget cuts. We strive to make a difference for all children and make things happen at Schafer Park!

We are asking you to fill out this short survey and return it to school, or at the next meeting, October 13th at 6:30 pm.
